

CONSUMER ALERT

FALSE COMPANIES ARE HIJACKING OUR NAME

A.S.A.P. LOCKSMITH

WATCH OUT FOR FALSE ADVERTISING!

The Federal Trade Commission has issued a "Consumer Alert" about a scam occurring across the country with increasingly high incidents in the South Florida area. Unskilled and unscrupulous fake organizations have infiltrated the yellow pages and Internet with false advertising claiming our local TRADEMARK name: A.S.A.P. Locksmith. On any given search query done in Google several results with our name and address are given with a phone number that doesn't belong to us. Those calls are misguided to out-of-state hideouts from where the Locksmith scammers contact unauthorized individuals for service calls. A similar situation occurs in the Yellow Pages where there are companies using our name for their unscrupulous profit.

A low price is quoted over the phone and many times the lock is destroyed to charge 5 to 10 times more than the quoted price. These criminal locksmiths have no background check. From the South Florida Tri-County area, Miami-Dade requires a Locksmith License and these individuals operate illegally. A.S.A.P. Locksmith has identifiable trucks and uniformed technicians carrying ID's. If you think you are being scammed immediately contact the police.

Steps To Avoid a Scam:

- Save A.S.A.P. Locksmith's Phone Number: **954-457-2727 (ASAP)**
- Request an I.D. from our techs and make sure they arrive in our trucks and uniforms.
